WoBio

Intro Meeting

28th February 2024
13:00 – 14:00

University of Vienna
Biology Building
Seminar Room 5.1

Feel free to bring your
lunch!

Next intro meetings:
27.03. / 24.04.

Who is WoBio?

We are a group of (predominantly) female scientists at the Faculty of Life Sciences with the aim to support the careers of women in sciences at all levels, from students to professors.

Our vision:

Equalizing the female-male employment status and leadership in our faculty.

For more information and contact details check out our website and social media!

Stop by to learn more about
WoBio's activities and
how to get involved!
