

FEMALE ROLE MODELS SEMINAR

Have you ever wondered how to navigate career milestones to become a successful scientist?

We bring women scientists to share their career path experiences through informal discussions.

23rd October 2023
18:00 – 19:00
University of Vienna
Biology Building
Seminar Room 4.1

Prof. Kirsten Bomblies

Department of Biology
ETH Zürich

Research Field:
Evolutionary Cell Biology,
Meiosis and polyploidy in plants

Please register by sending an email to:
rolemodelseminar@gmx.at (or scan QR code).

Get-together with snacks and refreshments open to pre- and post-docs. All genders welcome.
