

# FEMALE ROLE MODELS SEMINAR

universität  
wien

Have you ever wondered how to navigate career milestones to become a successful scientist?

We bring women scientists to share their career path experiences through informal discussions.

**19th January 2024**

**10:30 – 12:00**

**University of Vienna  
Biology Building  
Seminar Room 5.1**

**Dr. Ortrun Mittelsten  
Scheid**

**Gregor Mendel Institute,  
Austrian Academy of Sciences**

**Research Field:**

**Plant genetics and epigenetics**

**Please register** by sending an email to:  
[rolemodelseminar@gmx.at](mailto:rolemodelseminar@gmx.at) (or scan QR code).

This seminar is open to pre- and post-docs.  
Number of participants limited.
