

# FEMALE ROLE MODELS SEMINAR

universität  
wien

Have you ever wondered  
how to navigate career  
milestones to become  
a successful scientist?

We bring women  
scientists to share their  
career path experiences  
through informal  
discussions.

27th June 2025

11:00 – 12:00

University of Vienna  
Biology Building  
Seminar Room 5.1

Prof. Sabine Eggers

**Department of Anthropology,  
Natural History Museum  
Vienna, Austria**

## **Research Field:**

Anthropology, bioarchaeology,  
paleopathology and demographics  
of South American population

This seminar is open to pre- and post-docs.  
All genders welcome!
